

International Week on Sustainability: »Circular Economy«

HWR Berlin is organizing an "International Week on Sustainability" between 03-11 and 17-20 November 2023. The event opens up multidisciplinary perspectives on the topics of sustainability and responsibility and allows participants to attend seminars, workshops, field trips and role plays taught by teachers from different parts of the world. Furthermore, participants get to work on real-life challenges provided by real companies, NGOs, and non-profit organizations.
