and transparency. You can learn more about their commitment to creating an inclusive and diverse workplace in the [HubSpot Culture Code](#).

HubSpot is a hybrid company with employees working fully remotely, from an office, or a mix of the two. They are headquartered in Cambridge, MA with offices in Dublin, Ireland; Singapore; Sydney, Australia; Tokyo, Japan; Berlin, Germany; Paris, France; Bogotá, Colombia; Ghent, Belgium; San Francisco, CA; Portsmouth, NH; London, UK; Toronto, Canada.

3. **Zalando**

Zalando offers customers a one-stop, convenient shopping experience with an extensive selection of fashion articles including shoes, apparel and accessories, with free delivery and returns. Their localized offering addresses the distinct preferences of 49 million active customers in the 23 European markets they serve. They believe that their integration of fashion, operations and online technology give them the capability to deliver a compelling value proposition to both their customers and fashion brand partners. They are constantly reinventing their products, their services and themselves. That's how they identify and remove the barriers to inspiration and empowerment, as they emerge, letting technology and creativity set the pace.

Have your questions ready

There will be a 45 minutes info session with the three companies followed by small group breakout room sessions for your individual questions regarding opportunities, applying, qualifications, necessary experience etc.
