Learn more about the companies, what they do, and hear about career opportunities. There will also be plenty of time for Q&A in breakout sessions.

Meet 3 Berlin based companies providing an international working environment

1. **Raisin**

Raisin DS is a dynamic and fast-growing fintech company with its headquarters in Berlin. Together, they built a marketplace offering customers simple, transparent access to deposits across Europe. In addition, in Germany, they provide ETF portfolios as well as pension products. In the US, they are also offering a Savings as a Service model for bank partners. One of Raisin's top priorities is to foster an open and caring environment in which everyone feels welcome and comfortable.

2. **YARA Digital Farming** - Agricultural Technology

Yara grows knowledge to responsibly feed the world and protect the planet. Supporting our vision of a world without hunger and a planet respected, we pursue a strategy of **sustainable value growth**, promoting **climate-friendly crop nutrition and zero-emission energy solutions**. Yara's ambition is focused on growing a climate positive food future that creates value for our customers, shareholders and society at large and delivers a more sustainable food value chain.

3. **FLINK**

Flink is an online supermarket revolutionising the way you do your grocery shopping. With a wide selection of over 2,400 high quality products, they aim to deliver to your door in just 10 minutes. Flink is backed by some of the most renowned investors, founded by experienced e-commerce professionals, and with a team that has a proven track-record at Foodora, Home24, Bain & Company and many other successful organisations.

Have your questions ready

There will be a 45 minutes info session with the three companies followed by small group breakout room sessions for your individual questions regarding opportunities, applying, qualifications, necessary experience etc.
