Admission requirements

- Academic qualifications meeting the general requirements for admission to a University or University of Applied Sciences, or professional qualifications allowing University admission as specified in §11 of the Law on Institutions of Higher Education in the State of Berlin (Berliner Hochschulgesetz - BerIHG)
- German language university entrance exam for foreign students.
- Proof of very good English language skills at Common European Framework of Reference (CEFR) B2 level.

Restricted Admission

Where there are more applicants than places, programmes follow a NC (numerus clausus) procedure.

Evidence of German language skills

For study courses in German international students have to prove their German proficiency through the “Test of German Language Ability for Foreign College Students (DSH 2)”. Graduates of the Goethe-Zertifikats C2 (Großes Deutsches Sprachdiplom (GDS)) by the Goethe-Institut and Test-DaF-Graduates with the result of TDN degree 4 in all four tests do not need the DSH.

Proof of English language proficiency

Your English level has to be at least B2 CEFR (Common European Framework of References) or above. For the Master programme International Finance, only TOEFL and IELTS will be accepted. The required minimum score of some of the most known English certificates are listed below. We accept certificates of up to five years old. If you have studied a minimum of two semesters entirely in English, this can be accepted as equivalent (please provide proof with your application). You do not need to provide further English certificates if you hold a GMAT.

- TOEFL IBT – 72 points
- IELTS – 5.5 points
- BULATS – 60 points
- Cambridge – CAE

Please note: We do not accept A-level /school leaving certificates or DAAD language certificates as English proficiency tests. Please, note that your qualification will be checked only upon application, not beforehand.

Application documents

ASSIST will check for the Berlin School of Economics and Law whether applicants have submitted the following basic documents:

- A completed application form together with a Curriculum Vitae (CV) including details of all all previous academic education
- Officially authenticated copies and translations of the original certificates and all documents as specified by the Berlin School of Economics and Law
- An official copy of the university entrance qualifications
- Proof of German language proficiency as specified by the BSEL
- If required, other test certificates

In addition to these basic requirements, the University regulations may require you to submit further documents; if so, these should be attached to your application when it is sent to ASSIST. All the documents as specified are required before your application can be processed and transferred to the Berlin School of Economics and Law.

Once your application passes the ASSIST system check, it will be transferred to the BSEL for further processing. The decision on whether you will be admitted to a course of study rests with the Berlin School of Economics and Law (BSEL) .
