

Dear Sir or Madame,

Below you will find an overview of our HWR study programs that require mandatory internships, as well as some information on the length and optimal start dates. We look forward to receiving your internship offers in our portal [GOPraktikum](#) and will be happy to answer any questions you may have.

With kind regards

Monika Sakka

Information and notes on the mandatory internships

Duration of internship

Bachelor and Master: 5 - 6 months (Bachelor Business Engineering in Environmental Science: 10-18 weeks, German-French program: 6 months), fulltime which means 35 to 40h/week

Start of internship

The usual start for the winter semester is mid-July to October at the earliest, November at the latest, for the summer semester mid-February to April at the earliest, May at the latest. Exceptions are possible depending on the course of study.

Please note: Master students always complete their internship in the winter semester due to the start of their studies.

Publication of internship offers

Our GOPraktikum portal allows you to publish internship offers free of charge, transparently, and effectively. Click the "Publish Internship" button on the website to access the entry options. After you submit and confirm your information, we will review your offer concerning our mandatory internship conditions. Your internship posting will then be published, making it visible to you and our students. Further information can be found in the website's terms of use.. <https://gopraktikum.hwr-berlin.de/de>
