Important information

Registration for a course is directly bound to registration for the examination (as far as the latter is denoted in the study and examination regulations). The form of examination is to be discussed with the lecturer (as far as the examination regulations permit different examination forms).

Withdrawal from a course induces withdrawal from the examination; the student can still sit the examination but cannot present it for accreditation.

Deadlines for applications

Recognition of academic achievements	until 15.04.2025
Guest or secondary audience	until 15.04.2025
Semester leave of absence	until 04.08.2025
