Important information:

Registration for a course is directly bound to registration for the examination (as far as the latter is denoted in the study and examination regulations). The form of examination is to be discussed with the lecturer (as far as the examination regulations permit different examination forms).

Withdrawal from a course induces withdrawal from the examination; the student can still sit the examination but cannot present it for accreditation.

Deadlines for applications:

Recognition of academic achievements until 15.10.2025
Guest or secondary audience until 15.10.2025
Semester leave of absence until 31.01.2026
