

THE CONFERENCE

Since the Treaty of Lisbon, police cooperation has been transferred from the former »Third Pillar« into the new European Union framework. This conference is bringing together different scholarly and practical views on police cooperation between the EU Member States in this new framework. It aims to provide a forum for analysis and discussion of the different approaches to evaluating police cooperation under the conditions modified by the Treaty of Lisbon.

The conference is organised by the Berlin School of Economics and Law/ Hochschule für Wirtschaft und Recht Berlin (BSEL/ HWR Berlin) in cooperation with the Arbeitskreis Europäische Integration e. V. and the Groupe Européen de Recherche sur les Normativités (GERN), and is supported by the European Commission, Lifelong Learning Programme.
