

Dear students,

I would like to inform you about a unique opportunity for an exciting student exchange: Join an unforgettable week in Helsinki, meet inspiring founders, and gain international experience – all while earning 5 ECTS! Travel grant for flight and hotel included!

More on information here below and on the flyer attached.

Best regards,

Hannes Kübel

Student Exchange: Helsinki

Experience one of Europe's leading Startup & Innovation Ecosystems

 1 week |  intercultural |  entrepreneurial |  5 ECTS |  travel grant included

What's it all about?

Experience an immersive week in the Helsinki Startup & Innovation Ecosystem – one of Europe's most exciting innovation hotspots!

Meet founders, visit startups and labs, connect with students from across Europe, and develop your entrepreneurial mindset.

What can you expect?

-  Talks & networking with founders and innovators
 -  Visits to startups, labs & incubators
 -  Exchange with international students
 -  Reflection on your entrepreneurial identity
 -  Travel grant covering flights & accommodation included
-

What's in it for you?

-  Strengthen your intercultural & international skills
-  Sharpen your entrepreneurial thinking

-  Build valuable contacts & gain fresh perspectives
 -  Earn 5 ECTS within the Studium Generale
 -  Show your commitment through extracurricular engagement
-

Who can apply?

Students from all disciplines who are excited about innovation, entrepreneurship, and international networking.

How to apply?

 By **July 20th, 2025**

- Enroll in the Moodle course ([linked here!](#)) by Sunday, July 20th
 - Upload a short **1-minute motivation video** by the same date (July 20th)
 - Receive an invitation and attend the **online info session** on Thursday, July 24th, 5-6pm
 - Confirm your participation – and you're in!
-

 **Limited spots available – apply now!**
